Concerns were addressed and good ideas discussed. If you are planning on repairing or replacing an existing sidewalk or putting in a new one, there is a Village Ordinance, Chapter 5 Article III-Sidewalks, which can be viewed at the Village office or online at www.pleasantonne.com.

VILLAGE RECYCLE BINS AND DUMPSTER

A reminder on the use of the dumpster and recycle bin the Village provides. There is a limitation on what the Village is allowed to take to the City of Kearney recycle plant.

ACCEPTABLE items are: Cardboard, (please cut down the boxes), paper, aluminum cans, and plastic bottles. **UNACCEPTABLE items are:** Styrofoam, household trash, car parts, tv's and electronics.

GOOD WILL accepts electronics at no charge.

COMPUTER HARDWARE will take tv's and electronics for a charge of .45 a lb.

The dumpster that is located by the Village Maintenance shop is available if you have extra household trash. **NO CONSTRUCTION MATERIAL PLEASE!**

TREE DUMP

The brush pile at the tree dump is burnt when weather permits and the wind is in the right direction.

We ask that you do not add brush to the pile if it is still smoking as it rekindles the fire. Please unload it off to the side.
